PROFESSIONAL SUMMARY

Computer Programming student specializing in Full Stack .NET Development with hands-on experience in C#, ASP.NET Core, Entity Framework Core, and SQL Server. Co-developer of Curevia, a hospital management system that won 2nd place at the Intalqa national competition. Skilled in relational database design, OOP, and building CRUD-based applications. Trained through DEPI and NTI programs. Eager to contribute as a junior developer or intern.

CORE TECHNOLOGIES

C# | ASP.NET Core | Entity Framework Core | SQL Server | REST API | MVC
OOP | SOLID Principles | Git | GitHub

TECHNICAL SKILLS

Languages: C#, SQL, JavaScript (Basics), HTML, CSS

Frameworks & Libraries: ASP.NET, ASP.NET Core (MVC/API), Entity Framework Core, Bootstrap

Database: SQL Server, Database Design, Normalization, CRUD Operations, T-SQL

Concepts: Object-Oriented Programming (OOP), SOLID Principles, Data Structures, REST APIs (Basics)

AI & Emerging Tech: Artificial Intelligence Fundamentals, Machine Learning Basics

Tools & Platforms: Visual Studio, VS Code, Git, GitHub, SSMS

PROJECTS

Curevia – Smart Hospital Management System | Team Project | 🏆 Intalqa 4 Competition – 2nd Place 2024 – Present

- Led a team delivering a 9+ module hospital management system within 4 months, awarded 2nd place at Intalqa 4 hosted by NTI under the Ministry of Communications.
- Designed a normalized relational database schema with 9+ tables in SQL Server covering core hospital workflows.
- Contributed to the development of 9+ modules and personally built the Admin module including Authentication, User Management, and Billing features.
- Built backend logic in C# with OOP principles (encapsulation, inheritance, polymorphism) and implemented CRUD operations across all major modules.
- Technologies: C#, SQL Server, OOP, Database Design, Entity Framework Core, Visual Studio

BMW Cars Website | Personal Project 2024

- Built a 5-page fully responsive website to showcase BMW car models with an organized and modern UI.
- Achieved cross-device compatibility across 3+ screen sizes using CSS Flexbox and Bootstrap grid system.
- Technologies: HTML5, CSS3, Bootstrap

Personal Portfolio Website | Personal Project 2024

- Designed and developed a personal portfolio website showcasing 4+ projects and technical skills to potential employers.
- Technologies: HTML5, CSS3, Bootstrap

EDUCATION

B.Sc. Computer Programming | Higher Technological Institute – Beni Suef | 2023 – 2027 (Expected) | Beni Suef, Egypt

- Second-Year Student | Relevant Coursework: OOP, Database Systems, Software Engineering, Data Structures

CERTIFICATIONS & TRAINING

Artificial Intelligence Ambassadors Program | [National Telecommunication Institute \(NTI\)](#) 2024

- Completed training in AI fundamentals, machine learning algorithms, and real-world AI applications.

Full Stack .NET Development Track | [Digital Egypt Pioneers Initiative \(DEPI\)](#) 2024 – Present

- 6-month intensive structured training covering C# fundamentals, ASP.NET Core MVC, Entity Framework Core, SQL Server, and full-stack web development.

Front-End Development Training | [Higher Technological Institute – Beni Suef](#) 2024

- College-based training covering HTML5, CSS3, JavaScript fundamentals, and responsive UI design using Bootstrap.

COMPETITIONS & ACHIEVEMENTS

Intalqa 4 Competition – 2nd Place | [National Telecommunication Institute \(NTI\)](#) | [Under the Auspices of the Ministry of Communications](#) 2024

- Competed with team project Curevia (Smart Hospital Management System) at Intalqa 4, hosted by the National Telecommunication Institute (NTI) under the patronage of the Ministry of Communications and Information Technology — awarded 2nd place.

ICPC – International Collegiate Programming Contest | [Problem Solving Competition](#) 2024

- Solved 15+ algorithmic problems in ICPC, applying competitive programming skills under timed conditions.

SOFT SKILLS

Problem Solving | Teamwork & Collaboration | Fast Learner | Time Management | Attention to Detail

LANGUAGES

Arabic: Native | **English:** Professional Working Proficiency
